The Department is considering instituting proceedings against SDS under Executive Order 10450. In this regard, the Department has inquired as to the extent, if any, of electronic coverage afforded captioned individual or if there has been any interception of his voice on coverage of another individual or organization.

A check of the Bureau's Master Index indicates that on 8-6-65, one Carl Oglesby was covered by electronic surveillance by the Chicago Office (CG 6031-S\*) and on 10-25-65 (SDS) by the same Office.

On 1-18-66, one Carl Oglesby was covered by electronic surveillance by the Atlanta Office (SCLC).

Atlanta and Chicago should attempt to determine if captioned individual is identical to the above mentioned individuals and if coverage was an actual interception of the subject's voice or indirect coverage, wherein the name was mentioned or the interception was of a large meeting where no specific finding can be made that the subject's voice was actually intercepted.

For the information of Atlanta and Chicago, Oglesby is a white male, was born 7-30-35, in Akron, Ohio. He currently resides in San Francisco, California. Oglesby, a former national officer of SDS is currently on the SDS National Interim Committee.
